

Health & Safety

Programme of Work

Can be in the form of:

- Ad-Hoc Work – for example, a set of risk assessments for a specific project.
- Site Visits – This is when we believe a face to face visit would be more beneficial.

A Contract – Our retainer contracts usually covers 12 months when there is:

- On-going work to be completed.
- Monitoring and Maintenance of the Health and Safety Management systems.
- Changes occurring or simply the company requires support and guidance through this period.

The length of our contracts can vary on agreement.

- Training – This is one of our most popular areas.

Our Manual Handling is one of our most delivered Health and Safety training sessions.

We also offer courses into:

- Working at heights.
- Hazards.
- Asbestos.

We also offer additional training on:

- Permit to Work.
- Risk Assessments.
- COSHH and many more.

What we offer:

- Health and Safety Management System.
- General Advice.
- Written Health and Safety Policies and Procedures.
- Risk Assessments.
- Safe Systems of Work.
- Method Statements.
- Training.

How do you decide what you need?

Firstly, we can work with you to understand what service works for you! We offer a free Health and Safety Assessment.

Our staged assessment looks at:

- What you already have in place.
- Identify what you are missing in the workplace.

We will then work with you to tailor make a Programme of Work that suits you and your business needs.
